1. Met with Messrs. [REDACTED] to discuss the Director's presentation to the Senate in connection with our new building. We are all agreed that we should attack the cost and personnel situations head-on. I think that we can develop a good story. I have talked to [REDACTED] and we have agreed that we should start pushing on Monday for an early Hearing. H

2. Arranged to transfer \$30,000 in connection with Project [REDACTED]. The Director tells me that this should clean up the Project once and for all.
